1 highlighter

Ear buds – you can find at the Dollar Store

Pencil Box

I do have scissors in my classroom, but if your child prefers to have their own, you may purchase those too. Most of the children love to have a 3 ring binder and you may purchase one, but they really don't need it! I will provide your child with a take home folder, but if they would prefer a fun personal one, you may purchase that. They will have a planner from school to write their homework assignments nightly.
