Dear 5th Grade Families,

In just a few short months your child(ren) will complete their elementary career and will be headed off to the middle school. We have many activities that will take place this spring in order to make this transition as smooth as possible.

We will have a 5th grade parent orientation night here at the middle school on April 24th at 6:30 pm in our auditorium. This is an adult only event please. During this evening we will provide information regarding our 6th grade, middle school expectations, and we will end the evening with a short tour of the building.

The 6th grade counselor, middle school principal, and a panel of current 6th grade students will visit our fifth grade students in their elementary classrooms. This will occur on the following dates:

- * May 6th - Pine Street Elementary School
- * May 7th - Northside Elementary School
- * May 9th - Forge Road Elementary School
- * May 10th - Lingle Avenue Elementary School

Additionally, the 5th grade students will get the chance to visit the middle school and explore all the inner workings of a 6th grade day including lunch in our cafeteria. These visits will occur on the following dates:

- * May 16th - Pine Street Elementary School
- * May 17th - Northside Elementary School
- * May 22nd - Forge Road Elementary School
- * May 20th - Lingle Avenue Elementary School

If you have any questions, please do not hesitate to contact us here at the middle school!
