Welcome to the Middle School!

Middle School
5th Grade Digital Parent Orientation Meeting

May 6th at 6:00pm

All 5th Grade Parents/Guardians are invited to attend!

A link for the event will be posted on the middle school website on the morning of May 6th. Click the link to join the webinar presentation which will feature our administration, 6th grade school counselor and some 6th grade teachers.

We will be unable to answer questions live that evening, so we will have a form available for parent/guardian questions and we will respond to your questions via email.

We look forward to sharing all the exciting opportunities that the middle school has to offer at this orientation event.

Coming Soon...

A digital tour of the middle school highlighting the 6th grade wing. More information will be coming in late May.

Student Meetings

During the week of May 11th, the middle school staff will meet with each elementary school's 5th grade classes via zoom to talk about what life looks like as a middle school student. Information and a zoom link will be provided closer to the date.

5th Grade students will meet with middle school administration, our 6th grade counselor, and current 6th grade students. 5th Grade teachers will be present at the meeting as well.

During this meeting, middle school information will be provided and the opportunity for a Q & A session with current 6th grade students.
