**Student Activities:**

Congratulations to Class of 2020 students who enjoyed a week's worth of activities last week. From awards night on Monday, June 15<sup>th</sup> to the regalia parade on Tuesday, the parade on Wednesday, graduation on Thursday and diploma distribution on Friday/Saturday, the week was a highlight of our most recent graduates. Congratulations to the Class of 2020!

**Other:**

Palmyra Area School District has assembled a Pandemic Team that will help develop the school district's Health and Safety Reopening Plan for the 2020-2021 school-year. The team is comprised of administration, professional staff, school nurses, support staff, the medical community, and parents. The team's first meeting will be on Monday, June 29<sup>th</sup>. The tentative plan is to provide the Board of School Directors with a draft plan on July 16<sup>th</sup> with plan approval occurring on August 13, 2020. The team will include CDC recommendations, Department of Health recommendations and PA Department of Education requirements in the plan to the extent possible and allowable. District administration began planning/discussing on Monday of this week and worked with the Palmyra Area Education Association on Tuesday of this week in preparation for the June 29<sup>th</sup> meeting. We intend to open school on August 31, 2020.

The turf project picked up a few days on the construction schedule with a final clean date now set for August 20<sup>th</sup>. In the week ahead you will see fence posts being dug and scoreboards being set. Turf install is slated for later in July.

Northside Elementary School renovations continue to be on schedule for opening school in August. The maintenance/custodial team will, in large part, be pulled to clean that building in August to prepare for the opening.
