

**Palmyra Area School District  
Consent Agenda  
Buildings & Grounds Committee  
April 25, 2019**

**Buildings & Grounds Committee Meeting**

---

**1. High School Camera Proposal**

To approve a contract with Reed's Lock & Access Control Systems, Inc. for replacement of the current analog security camera systems in the High School with a new IP-based camera and NVR system at a cost of \$100,569.85.

**2. Northside Elementary Renovations**

To approve the Guaranteed Energy Savings Agreement Amendment 6, Northside Renovations and LED Lighting at the High School, Lingle Avenue and Pine Street, with Reynolds Energy Services, Inc. in the amount of \$1,288,791.00.

**3. Forge Road Storm Water Management Operations and Maintenance Agreement and Declarations of Easement**

To approve the Storm Water Management Operations and Maintenance Agreement and Declarations of Easement between the Palmyra Area School District and the Palmyra Borough for the Forge Road Traffic Redesign project.

**4. Geophysical Scanning Proposal**

To approve a contract with JMT in the amount of \$5,450 for a Geophysical (Karst) survey of the proposed project area for the multi-purpose fields at the High School. (Note: The survey is to be conducted by Advantage Engineers, a consultant to JMT.)
