

Welcome to Mrs. Honicker's Kindergarten Class!

I am so excited I get to be your kindergarten teacher this year! You won't believe how much you will LEARN and how much FUN we will have this year!

In Kindergarten, you will play with blocks, play-dough, paint, sing songs, listen to stories, play games on the iPads and have recess on the playground.

You will also get to pick books from Lingle's school Library, have Music class and learn about friendship.

I sure hope you **ARRGH** ready for kindergarten! I can't wait to meet you and your family on the First Day of Kindergarten, Monday Aug. 31st.

Please check your assignment letter for your time to attend.

Looking Forward to Meeting You,
Mrs. Honicker
