

Related Arts

Related Arts classes are held each afternoon. The five related arts classes are Library Guidance, Music, Art, and P.E.

Opening/Word Wall Words: Attendance, Pledge of Allegiance, calendar, weather, schedule, songs, and word wall words

*Please review the ABC book at home with your child as well as the word wall words. Repetition is the key to success

Language: whole group with independent practice (story), letters, words, comprehension, phonemic awareness, rhyming, syllables, etc

Kid Writing: The children will be writing in journals. The children will be drawing pictures and I will be writing the words, however I will be encouraging children to write the first letter of the word they are drawing.

Snack/ Free Play: Two snack choices are given each day. When students are finished eating, they have free play.

Jobs: Independent jobs at the different stations in the room. In the beginning of the year, I use this time to work with small groups on pre-reading strategies. (Names, letters, book handling) Later in the year Guided Reading will take place during this time.

Journey's: This program teaches the students letters, sounds, letter formation, and sentence structure.

Math/ Math Stations: Whole group instruction with independent practice, sorting, shapes, counting, numbers, graphing, patterns, adding, subtracting, etc.

Science/ Social Studies: Science and Social Studies units are taught throughout the year. There are three major graded science units in kindergarten. They are, The Farm (Jan.), Myself & Others, and Balls & Ramps.

Reading Eggs: Reading Eggs will begin in January and will be completed on the ipads. This program will reinforce letters, sounds and phonemic skills.
