

Welcome to Kindergarten!

Arrival at School- All parent drop-off students should use the loop at the very far end of the building when entering from Lingle Ave.

Kindergarten students need to be at school by 8:45. A staff member will be available starting at 8:30 to assist students out of their vehicle. Students will then go to the playground or into the building during inclement weather.

Please do not use the bus lane. All shuttle buses will have a district aide on them.

Dismissal- Parent pick-up students should use the loop at the very far end of the building when entering from Lingle Ave. A staff member will assist children at the end of the day to get them back to their vehicle. Please do not use the bus lane. Parent pick-ups are dismissed at 3:30.

Special Arrangements- If for any reason your child will be going home a different way than usual, I need a note from the parent or guardian to authorize this. If someone other than the usual pick-up person is picking your child up from school, please send a note. In both cases **if a note is not sent in your child will be sent home using their usual transportation method**. Please do not email me this information I may not receive it. If there is a change you must call the school office or send a note.

Related Arts Classes- Our school operates on a five-day cycle. Please note your child's related arts classes on the calendar in the folder. Library books are due back on library day and sneakers need to be worn on P.E. days.

Monthly Updates- At the end of the month your child will bring home a packet of information for the following month. It will include the monthly newsletter, calendar, Book-it form, and the book order. If you do not receive the packet, please let me know and I will send home another copy.

Birthdays- Birthday treats are welcome, but not necessary. No food or drinks can be handed out as treats. Some ideas are pencils, stickers, tattoos, etc.

Birthdays are a great time to celebrate with friends, however feelings can also be hurt when it comes to party invites. If you are sending invitations to school to be sent home with the children, please invite all the children, only boys, or only girls. If you have any other questions please contact me.

Welcome- I am pleased to have Mrs. Cooper in our kindergarten class each day as our classroom aide.

Forms- Please return all forms, as soon as possible. I would like to have all of the forms returned by Thursday August 29th.

Contact Info- Please feel free to contact me whenever you have a concern or question. The school phone number is **838-1331 option 5**.
